

CHILTERN LEAGUE, SATURDAY 13th JANUARY

CASSIOBURY PARK, WATFORD WD17 3AU

Welcome back to Cassiobury Park for the first Chiltern League match here since 2014, please note that the start/finish area has had to be moved due to tree and shrub planting.

The park entrance closest to Race H/Q is now adjacent to the junction of Stratford Way and Parkside Avenue, WD17 3AU, please note that you will need a team to drop off marquees etc as it is very unlikely that there will be any parking close by.

The marquee location will be approximately 200 metres from here adjacent to the Bandstand and accessed via a tarmac path but please do not arrive before 10.00 as this is also the finish area for the Park Run.

Portaloos will be sited close to this position and athletes please don't use the café toilets.

There is a reasonable amount of street parking at weekends on the WD17 side of the park, the closest car park is at WD18 7LG, with 217 spaces approximately 500m away and free for 2 hours and then £2 for the 3rd hour and £1 an hour after that.

There are 2 other car parks approximately 1000m from the start, WD17 4NR, 119 spaces and 80p an hour and WD17 1PL, 661 spaces and £1 an hour.

The Cha Cha café that is approximately 200m from the finish line will be open and we are hoping the Hub café that is 400 metres away will also re-open in the New Year but that is by no means certain.

The park is of course currently very wet and muddy so the U/11's and U/13's should consider long spikes, all other courses cross 100m of tarmac between the 2 bridges and much of the main paths have had hardcore added, possibly studs will be a better option, but we suggest you arrive early enough to reconnoitre an amount of the course you will be running.

PARKING - (see separate map re Tent Location)
