Parking: this is all on the main site and should all be on hardstanding. Please follow marshals' directions when you arrive on site. Note there is a separate entry and exit to the centre so a one-way system will be in operation.

Toilets: There will be 8 portable toilets located on the far side of the car park nearest to the start/finish, but we are also free to use the toilets in the main buildings, plus the toilet block just beyond the opposite end of the main building to the start & finish.

Changing: There are no changing facilities provided.

Marshals from other clubs: As always, several member clubs are designated to supply a marshal for this meeting. These marshals should report to Hayley Vinnicombe at 10:45am to the bar area at the end of the main building nearest the course.

Refreshments: As ever, we are welcome to use the cafeteria in the main block by the show-jumping arena (now substantially refurbished, but in the same location as before).

Please do not wear spikes or muddy footwear in the bar, café or surrounding area. There will be clear signs in place to this effect.

Please Note: Whilst there are no equestrian events on at the centre on the day, there will probably be limited use of the indoor facilities for riding. When using the toilets and cafe facilities in the main block, please be aware that horses may be crossing from the indoor area into the main arena, and that sudden movements and loud noises can upset a horse - they are very big and powerful animals! Crossing areas where caution is required will be clearly marked.

Course notes: As at the last fixture in February, please note that **all age groups are routed through the watersplash feature, but there is a "dry route" option for all** (which is slightly further).
